

The Reconnection at Harmony Farm

The intent of Reconnective Healing® is essentially that of healing, be it physical, mental, emotional, spiritual, or any other level. The intent of The Reconnection™ is to bring us into the fullness of our inherent connection with the universe.

Reconnective Healing®

Reconnective Healing® is often a life-changing experience, utilizing new frequencies to allow for the healing of the body, mind and spirit. Reconnective Healing® is beyond any technique you've ever encountered. These highly palpable energies are initiated by your Reconnective Healing Practitioner® at the start of your session and continue working with you long after your visit has ended. Through your participation in these sessions, you will be forever changed, operating at, and attuned to, a higher frequency than ever before.

A Reconnective Healing® session lasts 45 minutes and one to three sessions are normally recommended. The cost of a Reconnective Healing® session is \$97.00.

Personal Reconnection™

Originally the meridian lines, sometimes called acupuncture lines, on our bodies were connected to the grid lines that encircle the planet. These grid lines were designed to continue out and connect us to a vastly larger grid, tying us into the entire universe. Over time we became disconnected from these lines.

The Reconnection™ brings in “new” axiatonal lines that enable us to standardize unique vibratory levels and frequencies for healing and, ultimately, for our evolution. These axiatonal lines are part of a parallel-dimensional circulatory system that draws the basic energy for the renewal functions of the human body. The Reconnection™ brings in and activates these new lines, allowing for the exchange of light and information, the reconnection of DNA strands and the reintegration of ‘strings’ (simultaneously occurring or parallel planes of existence).

The Reconnection™ is always facilitated in two sessions, ideally on consecutive days. The total cost of The Reconnection™ is \$333. While it is not required, it is suggested that you experience 1-3 Reconnective Healing® sessions prior to receiving your personal Reconnection™.

Session Experience

Whether you are coming to experience a Reconnective Healing® session or a Personal Reconnection™ it is advised that you wear comfortable clothing. You will be lying, face up and fully clothed (shoes off), on a massage table during the sessions. It is best to avoid use of perfume or any scented products during these sessions. Jewelry, metals, leather and the like are fine to wear as long as you are comfortable with them on your body during the session.

During the session, you will be asked to lie down on a massage table, close your eyes and “let go”. It is best to be in a state of expectancy during the session and to allow whatever is supposed to happen. During these sessions it is not necessary, and in fact not recommended, that you meditate, pray or attach any specific outcome. Be receptive to the experience, knowing that you are participating in a positive and exciting process brought to you from God/Love/Universe and intended to give you exactly what you may need at this time.

The Reconnective Frequencies are here to benefit all who come in contact with them. They are appropriate for all individuals including children, pregnant women, the handicapped, and the elderly.
