

Healing Arts Business Practices

Harmony Farm was created to provide a space for you to step out of the business of life and experience a sense of relaxation, balance and well-being. We are committed to offer healing arts services such as therapeutic massage, energy work, body treatments and other complementary therapies that support you in your own healing journey.

Please review the following:

- Refrain from bringing in or drinking any alcoholic beverages while on the property.
- Remove heavy make up to allow the massage oils to naturally penetrate the skin.
- Drink plenty of water following your therapy to help cleanse your body of toxins.
- Payment of services is accepted in the form of Harmony Farm gift certificates, cash or check made payable directly to your practitioner.
- Full payment for services may be expected for missed appointments without 24 hours notice. Please give us a call.
